

Dispatch Portable 2-Way Active PA Speaker

Key Features:

- Compact and portable
- Rechargeable internal battery
- Bluetooth-enabled for wireless audio streaming
- Inputs for external microphone or playback device
- Included mic with cable
- Integrated handle and mounts for carrying strap

Overview:

The Dispatch is a compact, battery-powered speaker with Bluetooth technology for streaming music from any Bluetooth-enabled smartphone or mp3 player. Dispatch also features separate 3.5mm MIC and AUX inputs for connecting a wired microphone and outboard audio playback device. A wired mic with 3.5mm connector is included. The speaker case is water-resistant, and its built-in rechargeable battery and carrying handle means Dispatch is completely portable.
