

EQUITEK E100S

Supercardioid Condenser Microphone

Equitek E100S Supercardioid Condenser

Engineered and built in the USA, the new E100S large diaphragm supercardioid condenser has the lowest noise floor in its class (3.7 dBA) and the smooth, vintage tone and robust low end CAD is known for. The bootstrapped, full differential Quadra-FET™ front end delivers high sensitivity and low distortion, plus CAD's proprietary circuitry ensures the highest performance.

The nickel plated 1 inch capsule delivers accurate phasing on instruments, and a full rich vocal tone, accentuated by the extended low frequency response. Features include an 80Hz hi-pass filter and a 10dB pad.

From vocals to percussion, acoustic instruments and everything in between, the CAD Equitek E100S will prove to be one of the most versatile tools in your microphone locker, in the studio or on stage. Vintage wood grain cherry case and stealth shock mount included. 48V Phantom power is required.

Two-Year Limited Warranty

CAD Professional Microphones hereby warrants that this product will be free of defects in material and workmanship for a period of two years from the date of purchase. In the unlikely event that a defect occurs CAD will, at its option, either repair or replace with a new unit of equal or greater value. Retain proof of purchase to validate the purchase date and return it with any warranty claim.

Return warranty claims carefully packed, insured and prepaid to the Service Department at the address listed below.

This warranty excludes exterior finish or appearance, damage from abuse, misuse of the product, use contrary to CAD's instructions or unauthorized repair. All implied warranties, merchantability, or fitness for a particular purpose is hereby disclaimed and CAD hereby disclaims liability for incidental, special or consequential damages resulting from the use or unavailability of this product.

This warranty gives you specific legal rights and you may have other rights that vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above exclusions and limitations may not apply to you.

Note: No other warranty, written or oral is authorized by CAD Professional Microphones.

Shipping Instructions

Please call our customer service department at 440-349-4900 for a pre-approved return authorization number.

Carefully repack the unit and return it to: CAD Professional Microphones, 6573 Cochran Road, Building I, Solon, Ohio 44139.

RETURNS WITHOUT A PRE-APPROVED RETURN AUTHORIZATION NUMBER WILL BE REFUSED.

If outside the United States, contact your local dealer or distributor for warranty details.
