

Wireless 100 Watt Dual-Frequency UHF PA System

Venu100

The HamiltonBuhl Venu100 is a powerful, versatile portable and wireless PA with an ABS-engineered plastic shell, making it a highly durable, impact-resistant, tough PA system in a compact, portable design.

Delivering a powerful 100 watt amplifier with built-in rechargeable batteries and Bluetooth® receiver, it is ideal for large indoor and outdoor events, such as press conferences, sports venues, graduations, stage productions - any setting requiring excellent, reliable quality sound.

The Venu100 utilizes high-capacity, rechargeable internal batteries and features the latest in multimedia technology. This unit includes a Bluetooth® receiver, DVD, CD, MP3, cassette deck (record and plays), a built-in microphone compartment, telescoping handle and easy-glide rubber casters. This is a must-have for schools, hotels, churches or wherever a versatile, dependable and portable PA system is needed!
