LISTEN TECHNOLOGIES

Configuration:

LA-381-01 Intelligent 12-Unit Charging Tray (North America)*

*01, 02, 03, and 04 designation refers to international plug type (type B, G, C, and I) for the power supply.

Product Overview:

The LA-381 is the drop-in charging/dispensing station for the Listen iDSP products. It is engineered for streamlined dispensing, collecting and care of the iDSP assistive listening devices.

Built to accommodate the smallest, lightest device of its kind, the tray organizes and charges up to twelve iDSP units. The charging slots feature tension locking ability to ensure proper charging contact and security. Additionally, each charging slot is capable of storing personal collateral, such as an ID card while the receiver is being used.

The charging tray can be mounted several ways; wall, drawer, rack, or table top- all for easy dispensing. An optional cable management system can be ordered to keep the dispensing station looking neat and organized.

Highlights:

- Drop-in charging/dispensing station for streamlined dispensing, collecting and care of up to (12) iDSP assistive listening devices
- Can be mounted several ways; wall, drawer, rack, table top- all for easy dispensing
- Optional cable management system can be ordered to keep the dispensing station looking neat and organized
- Tension locking ability to ensure proper charging contact and security

Includes: One (1) LA-381 Intelligent 12-Unit Charging Tray
One (1) LA-209 Intelligent 12-Unit Charging Tray Power Supply
One (1) Setup/Dispensing Quick Reference Laminated Card

Product Specification: Intelligent 12-Unit Charging Tray	
Power	
Power Supply Input	100-240VAC, 50-60 Hz
Power Supply Output	5.0 VDC, 8 A, 40 W
Power Supply Connector	.22 in. (5.5 mm) OD x .09 in. (2.3 mm) ID, barrel type
Cord	72 in (182.9 cm) Input Power Cord, 45 in (114.3 cm) Output Cord
Physical	
Color	Black
Shipping Weight	6.0 lbs. (2.70 kg)
Dimensions (H x W x D)	1.75 in. x 14 in. x 7.5 in. (4.45 cm x 35.56 cm x 19.05 cm)
Unit Weight	5.0 lbs. (2.27 kg)
Unit Capacity	12 Units
Compliance	

Product Specification: Intelligent 12-Unit Charging Tray	
Standards	UL, CE, RoHS
