

EXPAND SP 20

EXPAND SP 10, EXPAND SP 20, EXPAND SP 220

Plug-and-play and collaborate anywhere

The EXPAND SP 20 Series of portable wired speakerphones is designed for mobile business professionals who set up their office where it is most convenient. Scalable for up to 12 in-room participants, EXPAND SP 20 matches your meeting: Smaller group? Simply plug-and-play one speakerphone in your huddle space. Larger group? Combine both speakerphones easily and use them as a permanent meeting room solution. With EXPAND SP 20 both callers and listeners have a more natural interaction, ensuring the teamwork necessary to boost the success of your business.

With reliable, wired connections to your laptop, mobile phone or tablet you can easily set up a call and simply engage with your colleagues on the task at hand.

For relaxing between calls, the speakerphones can be used for listening to music with Sennheiser's renowned sound quality.

The streamlined, lightweight design and superb finish, make it a flexible collaboration tool for both desk and conference rooms.

BENEFITS & FEATURES

- **Experience plug-and-play conferencing anywhere**
With compact, lightweight design, choice of USB or 3.5 mm jack* and up to 20 hours of use
- **Get premium sound for better meetings**
