

CONVEY: LANGUAGE TRANSLATION

CONVEY

WILLIAMS AV

INCLUSION MADE EASIER

Williams AV is making inclusion easier for all with the new Language Translation System, Convey. Through the power of AI, Convey has the ability to translate up to 17+ languages.

FEATURES

- Real-time translation
- 17+ available languages
- Translation can be heard over a listening system or seen as text on a video overlay
- Billing handled directly on app using the Google Play or Apple App Store on any iOS and Android device

APPLICATIONS

- Language Translation
- Assistive Listening
- Audio Description Presentation
- Education/Training
