

GYMNASIUM SOUND SYSTEM

WITH 8 BOSE ARENAMATCH SPEAKERS WITH
MULTI-CHANNEL MULTI-ZONE MIXER

INSIDE THE DESIGN

This powerful high-performance gymnasium sound system provides high-quality sound reproduction with a high SPL of up to 121 dB for foreground music and clear intelligible vocals for play-by-plays, announcements and paging. This gym sound system comes with eight Bose ArenaMatch AMU108 small format speakers with 90° x 60° of wide, even coverage, a multi-channel multi-zone mixer, a Bose PowerMatch PM4500N configurable professional power amplifier, a wireless handheld and lapel microphone and a wired handheld microphone for the announcers' table. The in-wall XLR input and Bluetooth mixer make it easy for multiple users to control the system or connect additional mics or audio sources. You can easily adjust each individual input via the in-wall mixer, giving you full control of the audio mix. Gone are the days of incomprehensible audio systems, you'll truly be impressed with this incredible sounding high-performance sound system.

SYSTEM FEATURES

- Superb intelligible speech for play-by-play and announcements
- Incredible foreground music reproduction with high SPL of 121 dB
- Durable IP55 weather-rated Bose loudspeakers with wide coverage
