

**Product Overview:**

Our LA-456 Headset 6 (Protective Ear Buds w/Mic) is ideal for two-way communication in noisy environments. The in-ear design offers the noise protection of ear plugs and a built-in mic for communicating, all while providing outstanding sound quality and comfort. The universal fit works for all ear sizes.

Two sets of interchangeable plug tips are included (Foam & Silicone). The foam tips provide a Noise Reduction Rating (NRR) of 29 dB and the silicone tips provide a Noise Reduction Rating of 27 dB when used as directed.

The construction is durable and easy to clean, and the ear plugs can be disinfected using our disinfecting wipes ([LA-901](#)).

Replacement plug tips are available in both foam ([LA-411](#)) and silicone ([LA-410](#)).

NOTE: Audio controls are for cell phone use only and will not control ListenTALK.

**Highlights:**

- Protect hearing with Noise Reduction Rating of 29 dB (foam) & 27 dB (silicone)
- Built-in mic for convenient two-way communication
- Universal design to fit large or small ears comfortably
- Durable construction for long life and easy cleaning or disinfecting

**Includes:**
