Product Overview:

The LW-200P-04 is an excellent option for assistive listening in restaurants, sports bars, and venues where multiple audio sources are needed. Up to 1000 users access the audio via a free app on their smartphone or mobile device. The LW-200P-04 connects to your existing wireless network and uses a minimal amount of bandwidth. The Listen Everywhere cloud server interface makes updates and other service options simple and fast.

*Custom solutions available upon request to accommodate more channels/users, email <u>sales@listentech.com</u> for information.

Highlights:

- Up to 1000 Users
- 4 Channels
- Ultra-Low Latency
- Uses Existing Wireless Network

Includes:

One (1) LW-200P-04 Listen Everywhere 4 Channel Server w/Power Supply

Product Specification: Listen EVERYWHERE 4 Channel Server Interconnections
