

AC-360-Z

Quickstart Guide

Thank You for Purchasing the **Ultimate Zoom Room Microphone.**

To begin, make sure the following items are included in the box:

- 5V Power Supply
- Mounting Pads
- USB-C to USB-C Cable
- Right Angle USB-C Cable
- USB-C to USB-A Cable
- Right Angle USB-C to USB-A Cable

To use the AC-360-Z as a single main unit on your table or desk:

1. Pick your desired **RIGHT ANGLE USB** cable.
2. Use the OUT port on the microphone and connect to your computer.
3. Your Zoom Room controller will ask, *“Do you want to use all 4 microphones?”*
4. Select **YES**.

*To use the AC-360-Z as a single main unit **FIXED** to your table or desk:*

1. Pick your desired **STRAIGHT USB** cable.
2. Use the OUT port on the microphone, drop through hole on table or mounting surface.
3. Unscrew removable rubber feet and apply included mounting pads to bottom of unit.
4. Connect the AC-360-Z to your computer.
5. Your Zoom Room controller will ask, *“Do you want to use all 4 microphones?”*
6. Select **YES**.

You do NOT need to use the 5V Power Supply when only using a single unit.
