

S3

Pure Resonance Audio S3 3" Micro Surface Mount 70V Loudspeaker

DESCRIPTION:

The Pure Resonance Audio S3 70V micro satellite surface mount speaker is perfect for commercial audio applications where quality sound, aesthetics, and compact size matter. Perfect for background music, paging and ambient sound masking in offices, retail stores, coffee shops, restaurants, hospitality venues, reception and waiting rooms, lounges, foyers, hallways, and auxiliary spaces. Built to last, the S3 speaker features 70V taps, durable ABS enclosure and infinitely adjustable ball-joint wall mount bracket.

FEATURES:

- Paper cone woofer provides more natural sound reproduction and expansive soundstage
- Phoenix-style connector ensures a perfect connection
- Integrated ball-joint allows screen tilt, pan, and rotation adjustment so your sound goes where it needs to go
- Rugged ABS enclosure delivers long-lasting performance and durability
- Compact size allows the speaker to seamlessly fit into any space
