

SMG1

Pure Resonance Audio SMG1 Sound Masking Generator

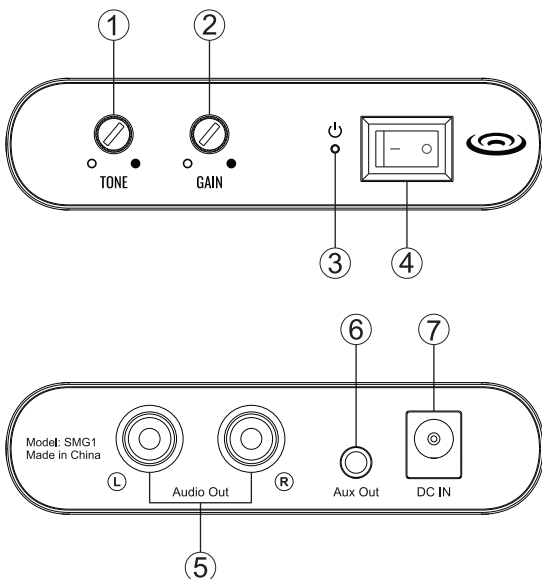

DESCRIPTION

The Pure Resonance Audio SMG1 sound masking generator offers an affordable and compact solution to enhance speech privacy and reduce distractions. With our proprietary masking noise and adjustable frequency controls, users can easily adjust the tone to white, pink, or brown noise. The SMG1 provides flexible integration and high-quality sound, ensuring a more comfortable and private atmosphere around the clock. Its simple setup, discreet mounting bracket, and versatile applications make it an ideal choice for offices, medical facilities, hotels, call centers, and more.
