

Auralex® SonoSuede™ Panels

SonoSuede Panels are great-looking acoustical treatments that are perfect for so many environments that would benefit from accurate sound control. **SonoSuede Panels** have the same absorptive core and thus the same superior acoustic performance as our **ProPanels™**

The **SonoSuede Panels** can be mounted directly to the wall or offset one or two inches using available mounting hardware. This yields an appealing 3D visual effect that also increases acoustical performance.

SonoSuede Pro Panels:

- 1" x 16" x 48"
- Reverse Mitered Edges
- Impaling Clips Included

SonoSuede Trapezoid Panels:

- 1" x 16" x 48"
- Trapezoid Shape (Left & Right)
- Impaling Clips Included

SonoSuede Corner Traps:

- 2" x 16" x 48"
- Reverse mitered edges
- Corner impaling clips included

Due to the variances among different computer monitors and printers, Auralex cannot guarantee that the colors represented in this document will exactly match the colors of the products shipped. Therefore, color examples shown are for reference only. Some color variation may occur between dye lots. Color fading may occur with UV exposure over time, particularly with lighter colors.

Available Colors:

Tan	Brown	Black	Red
