## snap-on™ Universal Accessory Kit

u-mount UNIVERSAL SYSTEM

### FEATURES AND BENEFITS

Get even more out of your u-mount tablet system. The u-mount accessory kit includes (1) Presentation Grip, (2) additional Mounting Posts, (1) Mounting Post End Cap and (1) drawstring carry bag. The Presentation Grip is a comfortable hard foam sleeve that slides over any u-mount post. It adds comfort and grip when using the Mounting Post as a handle. The Mounting Post End Cap adds a nice finishing touch to the post; it also provides a non-slip contact point when using the post as a slip-free monopod on desktops. Lastly, the two additional mounting posts let you tailor the u-mount to your exact needs, providing extra length with the 120mm (4-23/32") UM-42 or a lower profile with the 60mm (2-23/64") UM-41. This accessory pack is compatible with the Snap-On Cover variants of the Quick Disconnect u-mount Tablet Mounting System.
