

TCM1908

grip-on Universal Mount with Bullet-Nose Clamp

u-mount® UNIVERSAL SYSTEM

FEATURES AND BENEFITS

Experience the functionality and protection of u-mount for all of your handheld electronic devices. The TCM1908 Universal Mount includes three adjustable Grip-On mounts to fit popular tablets and cell phones sized from 2.5" to 7.75" wide. Constructed from a rugged plastic, each mount utilizes a spring-loaded clamp with rubber grips to secure your device. A 360° Ball Joint provides rotation and tilt adjustment, while the same Pull Back Release Sleeve popularized on u-mount Snap-On models makes removing the mount from the u-mount table clamp a breeze. The bullet-nose table clamp handles flat surfaces 3/4" to 2" thick. We've even included a Prop-Up insert that converts the quick release into a slip-free tabletop monopod.
