

Fitness & Aquatic Sound Packages

These versatile sound packages include everything you need to project strong, clear sound for fitness classes, and any indoor or outdoor mobile event or meeting

PLUS

SW6825 Digital Wireless Fitness Package

SW6826 Waistband Wireless Fitness Package

SW6827 Aquatic Wireless Fitness Package

SW6828 Rechargeable Fitness Package

Designed for the demanding needs of the fitness industry and active professional, these packages combine the AmpliVox Mega Hailer PA system with a wireless headset microphone and various options to provide the user with maximum acoustic power, flexibility of use, and freedom of movement. The new Fitness and Aquatic Packages make the Mega Hailer even more useful for the health and fitness market, as well as any meeting or event needing expanded sound coverage.

The Mega Hailer PA System has a built-in 50-watt amplifier and built-in speaker, with exceptional speech intelligibility and tonal balance, and expanded coverage over longer distances. It has a built-in 96-channel wireless receiver for our best-ever sound coverage, plus a Bluetooth module for connectivity to any Bluetooth device. Its rechargeable SLA batteries provide up to 10 hours of operation. It can be mounted on a tripod for even greater sound dispersion.

These versatile packages are great for fitness classes, aquatics, sports, crowd control, and any large indoor or outdoor gathering!

Extend your voice in meetings and presentations!
