

# Half-Mile Hailer Outdoor Portable Sound System

## Project clear sound up to a half mile away!

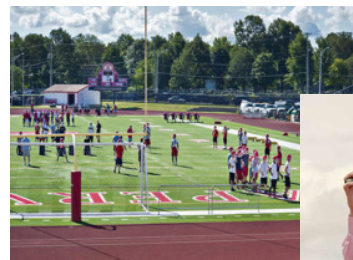

The Half-Mile Hailer is great for use in high noise areas and large open spaces. Use it to direct emergency crews and alert crowds in areas as large as a football field! Great for crowd control, public safety, law enforcement, athletic events, band practice, field days, outdoor marketing events, auctioneers, political campaigns, missionaries — any outdoor event.

**BE HEARD ABOVE THE CROWD** Built-in 50 watt amplifier projects sound up to a half mile away.

**GO WIDE!** The weather proof horn speaker is designed to produce wider sound dispersion than other available products.

**GO LONG!** Runs up to 200 hours on 10 "D" cell batteries (not included or use the optional, rechargeable AmpliVox NiCad battery pack and S1460 AC adapter/recharger.

**COMMAND ATTENTION** Fingertip volume and tone controls and **push button emergency siren** give you fast, easy control in changing conditions.

SW 610A and SW615A models feature a built-in 16 Channel UHF wireless receiver from 584MHz - 608MHz

Microphone jacks for dynamic, condenser and wireless mics

Auxiliary input for connection to any external audio device

Line out for recording or connection to another system or powered speaker
