Totally Tiny, Totally Cool!

With its 1x 15W Quad-color RGBW 4-in-1 CREE LED, this little gem will blow anything in its class away on show and tell day! Amazing brightness from a tiny little fixture is what this incredible little prodigy is all about! If you're looking for a moving head beam effect that is ultra-light and ultra-bright, look no further! The SwitchBlade™ Micro is all you need!

With its blazing fast 16-bit 540°/270° pan and tilt, the SwitchBlade™ Micro is equipped to blow away the competition! This fixture does everything you would want a mini moving head beam to do, giving you an amazing display of light to wow your audiences in compact form! Add a pair...or more...for even bigger effects!

The SwitchBlade™ Micro has an easy to use, LED 4-button control panel and DMX operation via 11 or 13-channels as well as master/slave capability. Its Built-In/Sound Active programs are more than equipped to handle a great light show even if you are not using DMX! And with its sharp 8° beam angle, outstanding quad-color beam effects and incredibly fast movement, the SwitchBlade™ Micro will be your go-to mini fixture, every time!

Industry standard IEC compatible power-In connection, DMX In/Out jacks, and secure clamp bracket all come equipped with this precisely engineered, extraordinary moving head spot fixture!

The SwitchBlade™ Micro is a unique, ultra mini, moving head fixture that you won't want to pass up for your small or big lighting rig!
